**MANAGEMENT INFORMATION CIRCULAR**

**ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS TO BE HELD ON DECEMBER 28, 2018**

**This management information circular (the “Circular”) is furnished in connection with the solicitation of proxies by management of the Company (“Management”) for use at the annual and special meeting of holders (collectively, the “Shareholders” or individually, a “Shareholder”) in the capital of the Company (“Common Shares”) to be held at the offices of MNP LLP, 111 Richmond Street West, Suite 300, Toronto, ON, M5H 2G4 on Friday, December 27, 2019, at 10:00 a.m. (Toronto time) and for the purposes set forth below. Except to the extent otherwise stated herein, all information set forth herein is given as of the date hereof, and all dollar amounts set forth herein are stated in Canadian dollars. Information set forth herein as to shareholdings is based upon information supplied by the respective persons holding such Common Shares.**

**GENERAL PROXY INFORMATION**

**Solicitation of Proxies**

The solicitation of proxies will be primarily by mail, but proxies may also be solicited personally or by telephone by directors, officers and regular employees of the Company. The cost of solicitation will be borne by the Company except for the cost of postage required to return the forms of proxy which will be borne by the individual Shareholders.

In accordance with NI 54-101, arrangements have been made with intermediaries or their nominees (collectively, the “**Intermediaries**”) to forward proxy-related materials to Beneficial Shareholders (as defined below) whose Common Shares are held by or in custody of such Intermediaries. Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered Registered Retirement Savings Plans, Registered Retirement Income Funds, Registered Education Savings Plans and similar plans. Intermediaries are required to forward such proxy-related materials to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. The Company has elected not to pay for the delivery of the proxy-related materials to Objecting Beneficial Shareholders (as defined below) by the Intermediaries. As such, Objecting Beneficial Shareholders will not receive the proxy-related materials unless the Intermediaries assume the cost of delivery. The Company is sending the proxy-related materials directly to Non-Objecting Beneficial Shareholders (as defined below), through the services of its transfer agent and registrar, TSX Trust Company (“**TSX Trust**”). The Corporation is not relying on the notice-and-access provisions of securities laws for delivery of the proxy-related materials to Shareholders.

**Appointment of Proxies**

The individuals named in the form of proxy are officers and/or directors of the Company. **A Shareholder has the right to appoint a person (who need not be a Shareholder) to attend the Meeting and act for such Shareholder on his, her or its behalf other than the persons designated in the enclosed form of proxy. Such right may be exercised by inserting in the blank space provided for that purpose the name of the desired person or by completing another proper form of proxy.** In either case, a Shareholder may vote its Common Shares by proxy as follows: (a) by mail or delivery to, or deposited at, the offices of TSX Trust at: 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1, Attention: Proxy Department, on behalf of the Company; (b) by fax at: (416) 595-9593; or (c) on the internet by accessing the web site address specified on the form of proxy or voting instruction form (if applicable) and by following the online voting instructions. Voting instructions must be received by no later than 10:00 a.m. (Toronto time) on Monday, December 23, 2019, or if the Meeting is adjourned, at the latest 48 hours (excluding Saturdays, Sundays and holidays) before the time set for any reconvened meeting at which the proxy is to be used.

Form of Instructions for UK holders must be completed and returned to Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS13 8AE, United Kingdom. Voting instructions for UK holders must be received by no later than 10:00 a.m. (UK time) on Friday, December 20, 2019, or if the Meeting is adjourned, at the latest 48 hours (excluding Saturdays, Sundays and holidays) before the time set for any reconvened meeting at which the proxy is to be used.

### **Revocability of Proxy**

**A Shareholder giving a proxy has the power to revoke it.** Proxies given by a Shareholder for use at the Meeting may be revoked prior to their use:

- (a) by depositing an instrument in writing executed by the Shareholder or by such Shareholder's attorney duly authorized in writing or, if the Shareholder is a Company, by an officer or attorney thereof duly authorized indicating the capacity under which such officer or attorney is signing:
  - a. at the office of TSX Trust, on behalf of the Company, at any time up to and including 10:00 a.m. (Toronto time) on Monday, December 23, 2019, or if the Meeting is adjourned, at the latest 48 hours (excluding Saturdays, Sundays and holidays) before the time set for any reconvened meeting at which the proxy is to be used; or
  - b. with the chairman of the Meeting on the day of the Meeting or any adjournment thereof; or
- (b) in any other manner permitted by law.

### **Exercise of Discretion by Proxy**

**On any ballot that may be called for at the Meeting, the Common Shares represented by such form of proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder appearing on such form of proxy, and, if a choice is specified therein in respect of any matter to be acted upon, will be voted in accordance with the specification made. In the absence of such specification, such Common Shares will be voted FOR such matter.**

**The form of proxy confers discretionary authority upon the person acting as proxy thereunder with respect to amendments or variations to matters identified below and with respect to other matters which may properly come before the Meeting.** As at the date hereof, Management knows of no such amendments, variations or any other matters, which may properly come before the Meeting.

### **Voting by Beneficial Shareholders**

Only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares or duly appointed proxyholders can be recognized and acted upon at the Meeting. The information set forth in this section is therefore of significant importance to a substantial number of Shareholders who do not hold their Common Shares in their own name (the "**Beneficial Shareholders**"). If Common Shares are listed in an account statement provided to a Beneficial Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in such Beneficial Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Beneficial Shareholder's Intermediary or an agent of that Intermediary. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co., as nominee for CDS Clearing and Depository Services Inc., which acts as a depository for many Canadian Intermediaries. Common Shares held by Intermediaries can only be voted for or against resolutions upon the instructions of the Beneficial Shareholder. Without specific instructions, Intermediaries are prohibited from voting Common Shares for their clients.

Applicable regulatory policy requires Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every Intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its Intermediary is identical to the form of proxy provided by the Company to the Intermediaries. However, its purpose is limited to instructing the Intermediary how to vote on behalf of the Beneficial Shareholder. The majority of Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically mails the voting instruction forms to the Beneficial Shareholders and asks the Beneficial Shareholders to return the voting instructions forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote Common Shares directly at the Meeting - the form must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of their Intermediary, a Beneficial Shareholder may attend the Meeting as proxyholder for the Intermediary and vote their Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their own Common Shares as proxyholder for the Intermediary should enter their own names in the blank space on the voting instruction form provided to them and return the same to their Intermediary (or the agent of such Intermediary) in accordance with the instructions provided by such Intermediary or agent well in advance of the Meeting. Beneficial Shareholders should carefully follow the instructions of their Intermediaries and their service companies.

All references to Shareholders in this Circular are to Shareholders of record unless specifically stated otherwise.

#### **Note to Non-Objecting Beneficial Shareholders**

The proxy-related materials are being sent to both registered Shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories – those who object to their identity being made known to the issuers of securities which they own (the “**Objecting Beneficial Shareholders**”) and those who do not object to their identity being made known to the issuers of the securities they own (the “**Non-Objecting Beneficial Shareholders**”). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their Non-Objecting Beneficial Shareholders from Intermediaries via their transfer agent in order to distribute proxy-related materials directly to such Non-Objecting Beneficial Shareholders.

The Company or its agent has sent the proxy related materials directly to Non-Objecting Beneficial Shareholders. Such Beneficial Shareholders’ names, addresses and information about their holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding such information on their behalf. By choosing to send proxy-related materials directly to the Non-Objecting Beneficial Shareholders, the Company (and not the Intermediary holding the information on their behalf) has assumed responsibility for (i) the delivery of the proxy-related materials, and (ii) the execution of proper voting instructions as specified in the request for voting instructions.

#### **Voting Securities and Principal Holders Thereof**

The Company has fixed the close of business on November 15, 2019, as the record date (the “**Record Date**”) for the purposes of determining Shareholders entitled to receive notice of the Meeting and vote at the Meeting. The authorized capital of the Company consists of an unlimited number of Common Shares, of which 184,447,723 are issued and outstanding as at the Record Date. ## **EXECUTIVE COMPENSATION**

### **Compensation Discussion and Analysis**

The Company’s compensation policies are based on the principles that compensation should, to a significant extent, be reflective of the financial performance of the Company, and that a significant portion of executive officers’ and directors’ compensation should provide long-term incentives. The Board and compensation committee of the Board (the “**Compensation Committee**”) seeks to have compensation of the Company’s directors and executive officers set at levels that are sufficiently competitive so that the Company may attract, retain and motivate highly qualified directors and executive officers to contribute to the Company’s success. In assessing the overall compensation for directors and executive officers, the Board and Compensation Committee considers the Company’s performance, relative stockholder return and industry position, general industry data, and awards given to the Company’s executive officers in past years. It is the general compensation philosophy of the Company to provide a blend of base salaries/consulting fees, incentive bonuses and equity-based compensation.

## ***Elements of Compensation***

### ***Base Salary/Consulting Fees***

Each Named Executive Officer (as defined below) receives a consulting fee, which constitutes a significant portion of the Named Executive Officer's compensation package. Consulting fees are paid for discharging day-to-day duties and responsibilities and reflects the Named Executive Officer's performance over time, as well as that individual's particular experience and qualifications. A Named Executive Officer's consulting fees is reviewed by the Compensation Committee from time to time.

### ***Incentive Bonus***

Incentive bonuses, in the form of cash payments, are designed to add a variable component of compensation based on corporate and individual performances for each officer and employee. Both individual and corporate performances are also taken into account. No bonuses were paid to the Named Executive Officer during the most recently completed financial year.

### ***Equity-Based Compensation***

The Company's directors, officers, employees and consultants are eligible under the Stock Option Plan to receive grants of stock options. The Stock Option Plan is an important part of the Company's long-term incentive strategy for its officers and directors, permitting them to participate in appreciation of the market value of the Common Shares over a stated period of time. The Stock Option Plan is intended to reinforce commitment to long-term growth in profitability and shareholder value.

The Company's directors, officers, employees and consultants are also eligible under the RSU Plan to receive grants of RSUs. The purpose of the RSU Plan is to advance the interests of the Company by (i) providing RSU Eligible Persons with incentives; (ii) rewarding performance by RSU Eligible Persons; (iii) increasing the proprietary interest of RSU Eligible Persons in the success of the Company; (iv) encouraging RSU Eligible Persons to remain with the Company or its affiliates; (v) attracting new directors, employees, officers and consultants; and; (vi) aligning the interests of the RSU Eligible Persons with those of the shareholders.

The Board believes that the Stock Option Plan and the RSU Plan align the interests of the Named Executive Officers and the Board with shareholders by linking a component of executive compensation to the longer term performance of the Common Shares.

### ***Compensation Risk***

The Board has not formally considered the implications of risks associated with the Company's compensation policies and practices as, in their view, the current structure of the Company's executive compensation arrangements is focussed on long-term value and is designed to correlate to the long-term performance of the Company, which includes but is not limited to performance of its share price.

### ***Financial Instruments***

Except as may be prohibited by law, the Named Executive Officers and directors are not currently prohibited from purchasing financial instruments, such as prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by a Named Executive Officer or director. To the Company's knowledge, no executive officer or director of the Company has entered into or purchased such a financial instrument. The Company's Insider Trading Policy stipulates that insiders of the Company are prohibited from short-selling the securities of the Company for the purpose of realizing the short-term profits.

### *Share-based and option-based Awards*

As discussed above, the Stock Option Plan and the RSU Plan are maintained for the directors, officers, consultants and employees of the Company and any present and future subsidiary of the Company. The CEO will make initial recommendations to the Compensation Committee on the setting of option and RSU grants, taking into account the seniority and contribution of the individuals eligible for the grants and the number of previously granted stock options and RSUs. The Compensation Committee will then recommend to the Board for approval all incentive compensation for the executives of the Company, based on both individual and Company performance in any given year, and will take into consideration the levels of compensation paid to persons in the same or similar management positions at comparable oil and gas exploration companies, in making such recommendations.

#### *Option-based Awards*

Pursuant to the Stock Option Plan, an option exercise price cannot be less than the closing price of the Common Shares on the Exchange on the last trading day preceding the option grant. The purchase price for the Common Shares under each option shall be determined by the Compensation Committee. The maximum term is ten (10) years. There are no specific vesting provisions under the Stock Option Plan. Options are non-assignable and non-transferable other than by will or by the laws of descent and distribution. As at the date hereof, there are 8,120,000 stock options outstanding under the Stock Option Plan, which represents approximately 99% of the Common Shares reserved for issuance under the Stock Option Plan. Please see “Particulars of Matters to be Acted Upon – Approval of the Stock Option Plan” below, for a summary of the Stock Option Plan.

#### *Share-based Awards for Performance*

The RSU Plan allows the Company to grant RSUs, each of which is a unit that is equivalent in value to a Common Share and that upon vesting results in the holder thereof being issued, at the discretion of the Board, either (i) a Common Share, or (ii) an amount of cash equal to the Fair Market Value (as defined in the RSU Plan) of a Common Share. Pursuant to the RSU Plan, unless otherwise provided by the Board, RSUs granted will vest on the earlier of (a) the date of which the Performance Criteria (as defined in the RSU Plan) is achieved, if applicable, or (b) the third (3<sup>rd</sup>) anniversary of the date of the grant, provided the RSU Eligible Person is continuously employed by or in service with the Company, or any of its affiliates, from the date of the grant until such vesting date. As of the date hereof, there remain 30 Common Shares reserved for issuance under the RSU.

### *Compensation Governance*

In order to assist the Board in fulfilling its oversight responsibilities with respect to compensation matters, the Board has established the Compensation Committee and has reviewed and approved the Compensation Committee’s Charter. The Compensation Committee is composed of Moshe Peterburg, Helmut Angula, and Peter Nicol, all of whom are independent as such term is defined in National Instrument 58-101, *Disclosure of Corporate Governance Practices* (“NI 58-101”).

The Compensation Committee meets at least twice a year to, amongst other things, review and approve the Company’s goals and objectives relating to the compensation of the Company’s executive officers, evaluate the performance of the Company’s executive officers in light of such goals and objectives, and set the compensation level, perquisites and other benefits of the Company’s executive officers. The Compensation Committee is given the authority to engage and compensate any outside advisor that it determines to be necessary to carry out its duties.

As a whole, the members of the Compensation Committee have direct experience and skills relevant to their responsibilities in executive compensation, including with respect to enabling the Compensation Committee in making informed decisions on the suitability of the Company’s compensation policies and practices. Each of the members of the Compensation Committee has experience on the board of directors and related committees of other public companies.

Neither the Board nor the Compensation Committee has, at any time since the Company’s most recently completed fiscal year, retained a compensation consultant or advisor to assist the Board or the Compensation Committee in determining the compensation for any of the Company’s executive officers’ or directors’ compensation.

less the aggregate number of shares reserved for issuance or issuable under any other Security Based Compensation Arrangement of the Corporation.

#### **6. ELIGIBILITY AND GRANT OF OPTIONS**

- (a) Subject to this Section 6, options shall be granted only to Participants of the Corporation.

- (b) Except in relation to Consultant Companies, options may be granted only to companies that are wholly owned by Participants.
- (c) Provided that the Common Shares are listed on the Exchange, if the Participant is a company, including a Consultant Company, the company shall not be permitted to effect or permit any transfer of ownership or option of shares of the company nor to issue further shares of any class of the company to any individual or entity as long as the options remain outstanding, except where the written consent of the Exchange has been obtained.
- (d) Subject to the foregoing, the Board shall have full and final authority to determine the Participants who are to be granted options under the Plan and the number of Common Shares subject to each option grant. For certainty, it is expressly stated that if the Corporation grants options to Participants resident in Canada, the Corporation may only grant options, and issue Common Shares on exercise thereof, to Participants resident in jurisdictions in Canada where NI 45-106 has been complied with. However, nothing herein shall be deemed or construed to require the Corporation to apply for or to obtain such listing, registration, qualification, consent or approval.
- (i) In the case of options granted to Employees, Consultants or Management Company Employees, the Participant must be a bona fide Employee, Consultant or Management Company Employee, as the case may be, of the Corporation or its Subsidiaries.
- (j) The Board shall complete and file, in accordance with applicable law, or shall cause to be completed and filed, all notices, reports, filings or other documentation required by applicable law, regulatory requirement or stock exchange rule, in connection with a grant of options or an issuance or purchase of Common Shares thereunder.
- (k) For certainty, the Board is not required to issue a news release disclosing the grant of options if (i) the Common Shares are not listed on the Exchange or (ii) the options are granted to Employees or Consultants that are not directors or officers of the Corporation or performing Investor Relations Activities for the Corporation, except where the grant constitutes Material Information under applicable securities laws.

## 7. PRICE

- (a) The option exercise price per Common Share shall be:

  - (ii) if the Common Shares are listed on the Exchange, the price fixed by the Board when such option is granted, except that
    - (A) the option exercise price per Common Share shall not be less than the Market Price; and
    - (B) if options are granted within ninety (90) days of a distribution (the “**Distribution Period**”) by the Corporation by prospectus, the minimum exercise price per Common Share of those options will be the greater of the Market Price and the price per Common Share paid by the public investors for Common Shares acquired pursuant to such distribution. The Distribution Period shall begin:
      - (I) on the date the final receipt is issued for the final prospectus in respect of such distribution; and
      - (II) in the case of a prospectus that qualifies special warrants, on the closing date of the private placement in respect of such special warrants.
- (b) The option price per share will be expressed in Canadian dollars.

## 8. PERIOD OF OPTION AND RIGHTS TO EXERCISE

- (b) If the Common Shares are listed on the Exchange and an option expires during a Black-out Period, then the option shall remain exercisable until the period ending up to two (2) trading days after the end of such Black-out Period, notwithstanding the natural expiry of its term, except that in no event may such exercise occur more than ten (10) years after the initial grant date of the option.
- (c) Options shall not be granted for a term exceeding ten (10) years.
- (d) Subject to the Board’s sole discretion in modifying the vesting of options, from time to time, options granted shall vest, and become exercisable, upon and subject to such terms, conditions and limitations as contained herein and otherwise as the Board may from time to time determine with respect to each option. Notwithstanding the foregoing, options granted to Consultants conducting Investor Relations Activities for the Corporation shall vest over a period of not less than twelve (12) months with no more than twenty-five percent (25%) of the options vesting in any three (3) month period.
- (e) The Common Shares to be purchased upon each exercise of an option shall be paid for in full by the Participant at the time of exercise.
- (f) Except as provided in Section 9, no option which is held by a Participant may be exercised unless the Participant is then a Participant of the Corporation, and in the case of an Employee, the Employee has been continually employed by the Corporation since the date of the grant of the

option, but provided that an authorized absence of leave shall not be considered an interruption of employment for purposes of the Plan.

## 9. CESSATION OF PROVISION OF SERVICES

- (a) **Death of Participant.** In the event of the death of a Participant during the term of the Participant's option, the option theretofore granted to the Participant shall be exercisable by the Participant's heirs or administrators (the "**Representatives**") within, but only within, the period of one (1) year next succeeding the Participant's death, and in no event after the expiry date of the option. Before expiry of an option under this Subsection 9(a), the Board shall notify the Participant's Representative in writing of such expiry no less than twenty (20) days prior to its expiry.
- (b) **Termination of Employment or Office.** Subject to the discretion of the Board to determine otherwise, and this Section 9, if any Participant shall cease to be a Participant for any reason, other than for cause or death, the option held by such person shall terminate on the earlier of (i) the expiry date of the option; (ii) ninety (90) days from the date such person ceases to be a Participant; or (iii) such other expiry date as may be determined by the Board at the time that such Participant ceases to be eligible, but shall be expire no later than one (1) year from the date on which the Participant ceases to be a Participant (the "**Termination Date**"). The Participant may exercise any option issued under the Plan that is then exercisable at any time within that period (the "**Run-off Period**"), unless an existing agreement between the Participant and the Corporation provides for a different Run-Off Period in which case the terms of that agreement shall continue to be applicable; but provided in all circumstances that no options issued under the Plan shall be exercisable after the expiry date of the options.

In the event that a Participant ceases to be a Participant of the Corporation because of termination for cause, the options of the Participant not exercised at such time shall immediately be cancelled on the date of such termination and be of no further force or effect whatsoever notwithstanding anything to the contrary in the Plan and the Corporation shall have no notification obligation.

- (c) **Other.** If any Participant shall cease to be a Participant of, or to, the Corporation for any reason other than provided for in this Section 9, the options of the Participant not exercised at such time shall immediately be cancelled and be of no further force or effect whatsoever.

## 10. NON-TRANSFERABILITY OF OPTION

Subject to applicable law, no option granted under the Plan shall be assignable or transferable otherwise than by will or by the laws of descent and distribution, and such option shall be exercisable, during a Participant's lifetime, only by the Participant (subject to Subsection 9(a)).

  - (iii) cancel any option.
- (b) If the Common Shares are listed on the Exchange:

- (i) the Board may approve the amendments set out in Subsection 11(a) without the approval of the Exchange, provided that the Corporation issues a news release outlining the terms of the amendment; and
  - (ii) the Corporation shall be required to obtain the approval of the Exchange for any amendments to the Plan or any option granted pursuant to it that are not covered by Subsection 11(a).
- (c) Notwithstanding Subsection 11(a) and Subsection 11(b):
- (i) the Corporation shall obtain Disinterested Shareholder Approval for any amendment to an option granted to a person who is an Insider at the time of such amendment;
  - (ii) the exercise price of any option granted pursuant to this Plan may only be amended if at least six (6) months have elapsed since the later of the date of commencement of the term of the option or the date the exercise price of that option was last amended; and
  - (iii) any option granted pursuant to this Plan must be outstanding for at least one (1) year before the Corporation may extend its term provided in all cases that any such extension shall not exceed the term provided for in Subsection 8(c).
- (d) Provided the Common Shares are listed on the Exchange, if the Corporation cancels an option granted to a Participant and within one (1) year grants new options to the same Participant pursuant to this Plan, the grant of the new options shall be subject to the approval of the Exchange and the requirements set out in Subsection 11(c), as applicable.
- (e) Any amendment to the terms of this Plan or any option granted pursuant to it shall not alter the terms or conditions of any option or impair the rights of any Participant to any option granted prior to such amendment.

## 12. EVIDENCE OF OPTIONS

Following the grant of an option in accordance with the Plan, the Corporation shall forward to such Participant, a Notice of Grant (the “**Notice**”) substantially in the form attached hereto as Schedule “A”, which Notice shall evidence the grant of the option under the Plan. The Corporation shall also forward to the Participant, in addition to the Notice, a copy of this Plan and, subject to the Common Shares being listed on the Exchange, the Insider Trading Policy (on the first grant of an option) and any other documentation that may be required by applicable law, stock exchange or regulatory requirements.

## 13. EXERCISE OF OPTIONS

- (a) An option may be exercised from time to time by delivering to the Corporation at its head or registered office, a written notice of exercise (the “**Exercise Notice**”) specifying the number of Common Shares with respect to which the option is being exercised and accompanied by payment for the full amount of the purchase price of the Common Shares then being purchased.
- (b) Upon receipt of a certificate of an authorized officer directing the issue of Common Shares purchased under the Plan, the transfer agent of the Corporation is authorized and directed to issue and countersign share certificates for the purchased Common Shares in the name of the Participant or the Participant’s legal personal representative or as may otherwise be directed in writing by the Participant, including into a book-entry system, if requested.
- (c) Notwithstanding Subsection 6(h), the Corporation shall not, upon the exercise of any option, be required to register, issue or deliver any Common Shares prior to:

- (i) the listing of such Common Shares on any stock exchange on which the Common Shares may then be listed; and
- (ii) the completion of such registration or other qualification of such Common Shares under any law, rules or regulation as the Corporation shall determine to be necessary or advisable (including, without limitation, NI 45-106).

If any Common Shares cannot be registered, issued or delivered to any Participant for whatever reason, the obligation of the Corporation to issue such Common Shares shall terminate and any option exercise price paid to the Corporation shall be returned to the Participant without deduction or interest.

#### 14. CHANGES IN OPTIONS

- (a) **Share Consolidation or Subdivision.** In the event that the Common Shares are at any time subdivided or consolidated, the number of Common Shares reserved for option and the price payable for any Common Shares that are then subject to option shall be adjusted accordingly.
- (b) **Stock Dividend.** In the event that the Common Shares are at any time changed as a result of the declaration of a stock dividend thereon, the number of Common Shares reserved for option and the price payable for any Common Shares that are then subject to option may be adjusted by the Board to such extent as it deems proper in its absolute discretion.
- (c) **Effect of a Take-Over Bid.** If a bona fide offer to purchase Common Shares (an “Offer”) is made to a Participant or to shareholders of the Corporation generally or to a class of shareholders which includes a Participant, which Offer, if accepted in whole or in part, would result in the offeror becoming a control person of the Corporation, within the meaning of subsection 1(1) of the Securities Act, the Corporation shall, upon receipt of notice of the Offer, notify each Participant of full particulars of the Offer, whereupon all Common Shares subject to such option (“Option Shares”) will become vested and the option may be exercised in whole or in part by the Participant so as to permit the Participant to tender the Option Shares received upon such exercise, pursuant to the Offer. However, if
  - (i) the Offer referred to in this Section 15 is not completed within the time frame specified therein (as the same may be extended); or
  - (ii) all of the Option Shares tendered by the Participant pursuant to the Offer are not taken up or paid for the offeror in respect thereof,

the options which vested pursuant to this Section 15 shall be returned by the Participant to the Corporation and reinstated as authorized but unissued Common Shares and the original terms applicable to such options shall be reinstated.

- (d) **Acceleration of Expiry Date.** If at any time when an option granted under the Plan remains unexercised with respect to any unissued Option Shares, an Offer is made by an offeror, the directors may, upon notifying each Participant of full particulars of the Offer, declare all Option Shares issuable upon the exercise of options granted under the Plan, vested, and declare that the expiry date for the exercise of all unexercised options granted under the Plan is accelerated so that all options will either be exercised or will expire prior to the date upon which Common Shares must be tendered pursuant to the Offer.
- (e) **Effect of a Change of Control.** If a Change of Control occurs, all Option Shares subject to each outstanding option will become vested, whereupon such option may be exercised in whole or in part by the Participant.

## 15. RIGHTS PRIOR TO EXERCISE

A Participant shall have no rights whatsoever as a shareholder in respect of any Common Shares (including any right to receive dividends or other distributions therefrom or thereon) other than in respect of Common Shares in respect of which the Participant shall have exercised the option to purchase hereunder and which the Participant shall have actually taken up and paid for in full. For greater certainty a holder of an option under this Plan shall not be permitted to vote on any arrangement of the Corporation proposed to the holders of Common Shares of the Corporation.

## 16. HOLD PERIOD

In addition to any resale restrictions under applicable legislation, all options granted hereunder and all Common Shares issued on the exercise of such options will be subject to a four (4) month hold period (“**Hold Period**”) from the date the options are granted and the options and any Common Shares issuable on the exercise thereof must bear the following legends:

“WITHOUT PRIOR WRITTEN APPROVAL OF THE EXCHANGE AND COMPLIANCE WITH ALL APPLICABLE SECURITIES LEGISLATION, THE SECURITIES REPRESENTED BY THIS CERTIFICATE MAY NOT BE SOLD, TRANSFERRED, HYPOTHECATED OR OTHERWISE TRADED ON OR THROUGH THE FACILITIES OF THE TSX VENTURE EXCHANGE OR OTHERWISE IN CANADA OR TO OR FOR THE BENEFIT OF A CANADIAN RESIDENT UNTIL [INSERT THE DATE IMMEDIATELY FOLLOWING THE DATE WHICH IS FOUR MONTHS AFTER THE DATE OF THE GRANT OF THE OPTION.]”

“UNLESS PERMITTED UNDER SECURITIES LEGISLATION, THE HOLDER OF THIS SECURITY MUST NOT TRADE THE SECURITY BEFORE THE DATE THAT IS 4 MONTHS AND A DAY AFTER THE LATER OF (I) [INSERT THE DISTRIBUTION DATE], AND (II) THE DATE THE ISSUER BECAME A REPORTING ISSUER IN ANY PROVINCE OR TERRITORY.”

## 17. WITHHOLDING TAXES

- (a) If, following the exercise by a Participant of an option or a portion thereof in accordance with the provisions of Article 13 hereof, the Corporation is required under the *Income Tax Act* (Canada) or any other applicable law to make source deductions in respect of any stock option benefits and to remit to the applicable governmental authority an amount on account of tax on the value of the taxable benefit associated with the issuance of Common Shares on exercise of options (“**Withholding Obligations**”), then the Participant shall, in addition to the payment of the purchase price for the Common Shares then being purchased pursuant to Article 13 hereof:
  - (i) pay to the Corporation sufficient cash as is reasonably determined by the Corporation to be the amount necessary to satisfy the Withholding Obligations; or
  - (ii) at the discretion of the Corporation, elect to permit the Corporation to reduce the number of Common Shares to be issued to the Participant by the number of Common shares having a fair market value at such time as is equal to the amount necessary to satisfy the Withholding Obligations; or
  - (iii) make other arrangements acceptable to the Corporation to fund the Withholding Obligations.
- (b) It is the responsibility of the Participant to ensure that they adhere to tax legislation in their jurisdiction regarding the reporting of benefits derived from the exercise of options.

- (c) In the event any taxation authority should reassess the Corporation for failure to have withheld income tax, or other similar payments from the Participant, pursuant to the provisions herein, the Participant shall reimburse and save harmless the Corporation for the entire amount assessed, including penalties, interest and other charges.
- (d) The Corporation will, within the time and in the manner prescribed by the *Income Tax Act* (Canada) (or any corresponding requirement under applicable provincial tax law), remit the Withholding Obligation to the Receiver General for Canada or other applicable tax authority and shall, to the extent necessary and within the time and in the manner prescribed by the *Income Tax Act* (Canada) (or any corresponding requirement under applicable provincial tax law), make the election contemplated by subsection 110(1.1) of the *Income Tax Act* (Canada) (or any corresponding requirement under applicable provincial tax law) that neither it nor any person with whom it does not deal at arm's length (for purposes of the *Income Tax Act* (Canada)) will deduct any amount in respect of any payment to the Participant in connection with the exercise or surrender of his or her options and the Corporation shall also provide evidence of such election to the Participant forthwith upon making such election.

## **18. NO CONTINUED SERVICE**

The granting of an option to a Participant under the Plan shall not impose upon the Corporation any obligation whatsoever to retain the Participant as a Director, Employee, or Consultant of the Corporation.

## **19. GOVERNING LAW**

This Plan shall be construed in accordance with and be governed by the laws of the Province of Ontario and the federal laws of Canada applicable therein.

## **20. EXPIRY OF AN OPTION AND TERMINATION OF THE PLAN**

- (a) On the expiry date of any option granted under the Plan, and subject to any extension of such expiry date permitted in accordance with the Plan, such option shall forthwith expire and terminate and be of no further force or effect whatsoever, or as to the Common Shares in respect of which the option has not been exercised.
- (b) The Plan will automatically terminate when, and if, any of the authorizations required to authorize the Plan shall cease.

## **21. EFFECTIVE DATE OF THE PLAN**

Set out below is a description of the Company's approach to corporate governance, based on the Guidelines and requirements prescribed by the Disclosure Rule.

#### Composition of the Board of Directors

The Board is currently comprised of eight directors. Pursuant to NI 52-110, a director is considered to be "independent" if he or she does not have a direct or indirect material relationship with the Company that could, in the view of the Board, be reasonably expected to interfere with the exercise of his or her independent judgment.

The Board determined that the following directors, nominated for re-election, are independent for the purpose of NI 58-101:

- (1) Moshe Peterburg (Chairman of the Board);
- (2) Helmut Angula; and
- (3) Peter Nicol.

The Board determined that the following directors, nominated for re-election, were not independent for the purpose of NI 58-101:

- (1) Gil Holzman (by virtue of being the CEO of the Company);
- (2) Colin Kinley (by virtue of being the COO of the Company); and

New directors also have an opportunity to meet with Management of the Company to obtain insight into the Company's business. All of the members of the Board are encouraged to communicate with Management, auditors and consultants to remain current with industry trends, developments, and changes in applicable legislation. As part of the annual Board assessment process the Board determines whether any additional education and training is required for Directors.

## **Ethical Business Conduct**

The company has adopted a Code of Business conduct (the “**Code**”) to provide a set of ethical standards to guide each director, officer, employee, consultant and contractor of the Company (“**Representatives**”) in the conduct of their business, and for each director, officer and employee constitutes conditions of employment, and for each consultant and contractor constitutes conditions of providing services to the Company. The Code provides an overview of the Company’s expectations for its Representatives and is supplemented by other policies adopted by the Company. Such other policies include the Whistleblower Policy and the Insider Trading Policy.

The Board annually review of the Code, Whistleblower Policy, and Insider Trading Policy to ensure that the Company, its directors, officers and employees comply with all applicable laws, rules and regulations and conduct the Company’s business ethically and with honesty and integrity.

The Audit Committee periodically monitors and reviews the Company’s procedures for (i) the confidential, anonymous submission by directors, officers and employees of the Company of concerns regarding questionable accounting or auditing matters; and (ii) any violations of any applicable law, rule or regulation that relates to corporate reporting and disclosure, or violations of the Code.

A copy of the Code and other policies may be obtained on written request addressed to the Company.

## **Nomination of Directors**

The Board is responsible for, among other things, identifying suitable candidates to be recommended for election to the Board by Shareholders or appointment by the directors, subject to the limits in the Company’s articles and the *Business Corporations Act* (British Columbia). Though there are no specific criteria for Board membership, the Company attempts to attract and retain directors with business knowledge and a particular knowledge of oil and gas exploration and development, or other areas such as finance, which would assist in guiding the officers of the Company. As such, nominations are typically the result of recruitment efforts and discussions among the Board.

## **Compensation**

The Compensation Committee is comprised of Messrs. Moshe Peterburg (Chairman) and Peter Nicol, both of whom are independent and have direct experience and skills relevant to their responsibilities in executive compensation. The Compensation Committee’s responsibilities include reviewing and approving the Company’s goals and objectives relating to the compensation of the Company’s executive officers, evaluating the performance of the Company’s executive officers in light of such goals and objectives, and setting the compensation level, perquisites and other benefits of the Company’s executive officers based on this evaluation. ### ***Oversight Function***

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Corporation’s financial statements are complete and accurate or comply with IFRS and other applicable requirements. These are the responsibilities of Management and the external auditors. The Committee, the Chairman and any members identified as having accounting or related financial expertise are members of the Board, appointed to the Committee to provide broad oversight of the financial, risk and control related activities of the Corporation, and are specifically not accountable or responsible for the day to day operation or performance of such activities.

Although the designation of a Committee member as having accounting or related financial expertise for disclosure purposes is based on that individual’s education and experience, which that individual will bring to bear in carrying out his or her duties on the Committee, such designation does not impose on such person any duties, obligations or liability that are greater than the duties, obligations and liability imposed on such person as a member of the Committee and Board in the absence of such designation. Rather, the role of a member who is identified as having accounting or related financial expertise, like the role of all Committee members, is to oversee the process, not to certify or guarantee the internal or external audit of the Corporation’s financial information or public disclosure.
